

My Commitment

I WILL tithe 10% of my **TIME** to myself over the next seven weeks by conscientiously reserving it for daily prayer and meditation and the exercises and assignments contained in this course. (That's 90 minutes a day I will devote to my own spiritual growth.)

I WILL tithe 10% of my **TALENT** to the world around me by serving unselfishly in a volunteer capacity for some organization, person, or cause that has personal meaning for me. (That's one 4-hour volunteer session per week I will devote to serving others.)

I WILL tithe 10% of my **INCOME** for the next seven weeks to this class, which will be the source of my spiritual food for that period. (That's 10% of my gross income I will offer freely and lovingly in class each week.)

In addition, I will **participate fully in each weekly class**, knowing that my enthusiastic participation is a gift to myself as well as to others who have come here to share their spiritual journey with me.

I am ready to be changed at depth. I am ready to step into the flow.
I am ready to claim The Keys to the Kingdom!
