

Membership Application

Thank you for your interest in becoming a voting Member of Unity Palo Alto!

Everyone is welcome to attend our spiritual center and participate in all of our activities. If you are seeking a spiritual community to call home and are in alignment with our teachings and principles, we invite you to consider becoming a voting member. Becoming a voting member is an opportunity to deepen your commitment and take a new level of ownership at our spiritual center.

As a member of Unity Palo Alto, you are committing to:

- Applying Unity Principles in your daily life
- Actively participating in Unity events
- Using your time, talent, and financial resources to support this community, as is right for you

As a member, you have special privileges, including:

- Voting at annual meetings
- Holding office and serving on special committees

Application Process:

- Complete New Member Curriculum if needed
- Complete this application and submit it to the office
- The Board of Trustees reviews and approves the application at a designated Board of Trustees Meeting
- New Members are presented to the congregation during the next Sunday Service

Our Bylaws state that applicants must be 18 years or older and must satisfy the membership qualification. Current qualifications include active participation for at least 12 weeks. New members must complete the New Member/Unity Basics Class and one additional Unity class prior to applying. Inactive members who meet the membership qualifications may reactivate their membership by completing this application. Each person applying must complete a separate form. All applications are reviewed and approved by the Board of Trustees.

Each year, we are required by our Bylaws to confirm your desire to continue your active membership. As a member, you will receive a Membership Renewal Card with our Autumn mailing. We know that life changes and sometimes those changes make it difficult to be an active member. If this is the case for you, please let us know and we will change your status to Inactive Member. Once inactive, you can reactivate your membership by completing a membership application.

Unity Palo Alto is committed to helping
people live life better through
personal growth and spiritual practices.
We inspire people to awaken to
their spiritual magnificence!

(over, please)

Please complete this application and return it to the office:

Legal Name: _____
